## Nietzsche and the Death of God: Selected Writings (Bedford Series in History & Culture) By Friedrich Wilhelm Nietzsche, Peter Fritzsche

German philosopher and self-proclaimed nihilist Friedrich Wilhelm Nietzsche stands out as a furious, explosive thinker who repeatedly pulled apart the certainties of the nineteenth century and whose writings attract, astonish, and unsettle readers to this day. This volume offers a selection of Nietzsche's writings, all newly translated by the author, that facilitate an understanding and discussion of his philosophies, style, and influence. In an engaging and accessible introduction, Peter Fritzsche familiarizes students with elements key to Nietzsche's thought and his extraordinary intellectual and political influence: his condemnation of the nineteenth century as degenerate and uncreative; his rejection of Christianity, democracy, and socialism; his belief that all cultures are founded on lies and illusions; and his conviction that individuals should seek to overcome convention and morality in order to create themselves as supermen. Document headnotes give students background and guidance in reading Nietzsche's writings, and a chronology, questions for consideration, and a selected bibliography provide additional pedagogical support.

## **Editorial Review**

### **Review**

"An impressive and, in many ways, original reading of Nietzsche as a prophet of freedom, experimentation, and self-invention. Peter Fritzsche has provided an excellent selection of texts and a compelling introduction, which highlight Nietzsche's continuing relevance for contemporary life and thought." --George S. Williamson, University of Alabama

"A *tour de force* of Nietzsche interpretation and explanation.... Professor Fritzsche has done the field a great service, setting forth the incomparable range of Nietzsche's ideas while giving students and instructors clear historical, biographical, and cultural guidelines for exploring it." --David B. Dennis, Loyola University, Chicago

"A useful collection for undergraduate teaching that brings together Nietzsche's most critical works with an excellent introduction that is helpful to nonspecialists and students alike." --Michele Strong, George Mason University

### **About the Author**

PETER FRITZSCHE (Ph.D., University of California, Berkeley) is professor of history at the University of Illinois at Urbana-Champaign, where he served as chair of the history department from 2000 to 2005. A social and cultural historian of Modern Europe, Professor Fritzsche has written five books: *Stranded in the Present* (2004), *Germans into Nazis* (1998), *Reading Berlin 1900* (1996), *A Nation of Fliers* (1992), and *Rehearsals for Fascism* (1990). He is also a former Guggenheim and Humboldt fellow.

## **Users Review**

### **From reader reviews:**

#### **Jordan Sampson:**

What do you with regards to book? It is not important to you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to accomplish others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every person has many questions above. They must answer that question due to the fact just their can do this. It said that about publication. Book is familiar on every person. Yes, it is correct. Because start from on pre-school until university need that Nietzsche and the Death of God: Selected Writings (Bedford Series in History & Culture) to read.

#### **Holly Taylor:**

Reading a guide tends to be new life style with this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Having book everyone in this world can easily share their idea. Guides can also inspire a lot of people. A great deal of author can inspire their reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about the

information about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors nowadays always try to improve their proficiency in writing, they also doing some exploration before they write on their book.
