Physician Characteristics and Distribution in the US (Physician Characteristics & Distribution in the United States) By Derek R Smart

Statistical data directly from the AMA Physician Masterfile Containing data about more than 1,000,000 U.S. physicians, Physician Characteristics and Distribution in the U.S. 2013 is the most accurate and complete statistical resource available. Historical and current data also provide an essential base for health services research, program planning and policy development. Key features and detailed tables include:

- * New! Group and physician positions data by size, specialty, and state
- * Physician trends
- * Physician characteristics and distribution
- * Analysis of professional activity by self-designated specialty and geographical region
- * Primary care specialties
- * Osteopathic physicians, including more than 67,000 doctors of osteopathic medicine (DOS)
