The Brothers Lionheart By Astrid Lindgren

There's no one Karl Lion loves more than his older brother, Jonathan, who is brave, strong, and handsome - everything Karl believes he is not. Karl never wants to be parted from him. But Karl is sick, and knows he's going to die. To comfort him, Jonathan tells him stories of Nangiyala, the wonderful place he'll be going to when he dies, and where he will wait until Jonathan is ready to join him there. Then the unthinkable happens ...Jonathan is killed in an accident.

Heartbroken, Karl longs for the day he'll be reunited with his brother. When the time comes, he finds Nangiyala just as wonderful as he'd imagined. However, Nangiyala is under threat. A cruel tyrant is determined to claim it as his own, and at his command is a terrible beast that is feared throughout the land. Karl must summon all of his courage to help his brother prepare for the battle that lies ahead ...'I adored Astrid Lindgren as a child' Francesca Simon, author of the 'Horrid Henry' books.

Editorial Review

Review

"I adored Astrid Lindgren as a child" --Francesca Simon, author of the 'Horrid Henry' books.

"The greatest gift of an author is that their work should stay with the reader forever. This story will." --Amazon

Language Notes

Text: English, Swedish (translation)

From the Publisher

The Brothers Lionheart is a remarkable book. Astrid Lindgren surely gains new stature in a probing world far removed from Pippi Longstocking -- this one is far deeper, and more demanding of courage, than any of Lindgren's previous works. Even on a surface level, the story must be her most unusual and unexpected; but what sticks in the mind are the endlessly fascinating questions she raises. Lindgren is speculating not only on the human situation but on the very nature of what may or may not lie very darkly beyond it. It may be unsettling, but that's exactly as it should be.

--Lloyd Alexander

Users Review

From reader reviews:

Cecilia Moore:

What do you concerning book? It is not important along? Or just adding material when you require something to explain what the ones you have problem? How about your free time? Or are you busy individual? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have free time? What did you do? All people has many questions above. They have to answer that question since just their can do that. It said that about reserve. Book is familiar on every person. Yes, it is appropriate. Because start from on pre-school until university need this kind of The Brothers Lionheart to read.

Paula Shepard:

Do you one of people who can't read gratifying if the sentence chained in the straightway, hold on guys this aren't like that. This The Brothers Lionheart book is readable by means of you who hate the straight word style. You will find the data here are arrange for enjoyable reading experience without leaving also decrease the knowledge that want to provide to you. The writer of The Brothers Lionheart content conveys thinking easily to understand by many individuals. The printed and e-book are not different in the written content but it just different as it. So , do you even now thinking The Brothers Lionheart is not loveable to be your top list reading book?

Brian Seery:

Precisely why? Because this The Brothers Lionheart is an unordinary book that the inside of the reserve waiting for you to snap that but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such awesome way makes the content interior easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of benefits than the other book have such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the guide store hurriedly.

Vicki Escalante:

Publication is one of source of understanding. We can add our information from it. Not only for students but native or citizen want book to know the update information of year to be able to year. As we know those guides have many advantages. Beside many of us add our knowledge, could also bring us to around the world. With the book The Brothers Lionheart we can acquire more advantage. Don't you to be creative people? For being creative person must choose to read a book. Merely choose the best book that acceptable with your aim. Don't always be doubt to change your life with that book The Brothers Lionheart. You can more attractive than now.
