The Dardanelles Campaign, 1915: Historiography and Annotated Bibliography (Bibliographies of Battles and Leaders) By Fred R. van Hartesveldt

The passage of time has not slowed the production of books and articles about World War I. This volume provides a guide to the historiography and bibliography of the Dardanelles Campaign, including the Gallipoli invasion. It focuses on military history but also provides information on political histories that give significant attention to the handling of the Dardanelles Campaign. The opening section of the book provides background information about the campaign, discusses the major sources of information, and lays out the major interpretative disputes. A comprehensive annotated bibliography follows.

This book nicely complements the two earlier volumes on World War I battles? *The Battle of Jutland* by Eugene Rasor and *The Battles of the Somme* by Fred R. van Hartesveldt.
