Accidental It Girl By Libby Street

What comes around...

Photographer Sadie Price is known for her thick skin and infallible instincts. A lofty education has made her skilled in her craft, and a fear of poverty -- and love for Jimmy Choo -- has made her one of the East Coast's most savvy paparazzi. She keeps her exhilarating but sometimes hectic life manageable by staying on the right side of the razor-thin line between celebrity photographers and the stalkerazzi. But all that changes when Sadie locks horns with one of Hollywood's hottest bachelors.

...goes around.

Something about Ethan Wyatt's charisma and startling good looks throws Sadie off her game. Something about Sadie's dogged determination -- and a very compromising picture she snaps -- throws Ethan off his. Hatching a scheme befitting the silver screen that made him famous, Ethan sets out to give Sadie a taste of her own medicine. And when her life almost instantly becomes as frenzied as those of the "It Girls" she follows, Sadie starts to see her career, her love life, and Ethan Wyatt in ways she never had before....

Editorial Review

From [Booklist](#)

For photographer Sadie Price, life as a member of the paparazzi isn't always a snap. Dodging her subjects' insults and hiding out in alleys is tough, but she really begins to question her career choice when Hollywood hunk Ethan Wyatt enters the picture. He has found a way to get under Sadie's skin, and he's not going to stop until she gives up stalking celebrities for good. Those who number *Us Weekly* among their guilty pleasures will love this look at life on the other side of the camera. Much like most celebrity magazines, style outweighs substance in this book, but most readers will be too caught up in the fun to care. Libby Street is the pseudonym for the two writers who wrote *Happiness Sold Separately* (2005). Once again they've collaborated to create a singular, spirited voice. There's sure to be more to come from this entertaining duo.

About the Author

Libby Street is the pseudonym for the writing team of Sarah Bushweller and Emily S. Morris. Sarah and Emily met on Liberty Drive in Dover, Delaware, at the age of four and have been best friends ever since. Twenty years later, they began writing together via email and telephone -- just trying to make each other laugh.

They both live in tiny little apartments in Manhattan, where they're working on Libby Street's second novel.
