### Dancer of Gor By John Norman

Doreen Williamson is a quiet, shy librarian on Earth. As many other young women she is distrustful of her attractions, frightened of men, introverted in manner and sexually inhibited. She lives in a quiet, lonely, dissatisfying, sheltered, frustrated desperation, distant from her true self, her nature denied, her only friends books and her secret thoughts. In the realization and enactment of a profound fantasy, after acute self-conflict, she dares to study dancing, a form of dance in which she is at last free to move her body as a female, a form of dance in which she may revel in her beauty and womanhood, a form of dance historically commanded by masters of selected, suitable slaves, belly dance. Thusly may she fantasize her longed-for desirability. This is, of course, her delicious, shameful secret, one which must be concealed from all, one which must be forever carefully guarded. Unbeknownst to herself, however, she has independently come to the attention of skilled assessors of women, of Gorean slavers. While secretly practicing in the library after hours she is surprised by three men. She must then dance, for the first time, before men. For the first, time, too, she discovers her own desirability, and that she is such as may be well bid upon. She will be taken to the beautiful, perilous world of Gor, there, in a collar, to learn her womanhood, and there, at last, to beautifully and profoundly find and fulfill herself. Coinciding with the 40th anniversary of the first book of the Gorean Saga, TARNSMAN OF GOR, E-Reads is proud to release the very first complete publication of all Gor books by John Norman, in both print and ebook editions, including the long-awaited 26th novel in the saga, WITNESS OF GOR. Many of the original Gor books have been out of print for years, but their popularity has endured. Each book of this release has been specially edited by the author and is a definitive text.

### Editorial Review

#### About the Author

John Norman, born in Chicago, Illinois, in 1931, is the creator of the Gorean Saga, the longest-running series of adventure novels in science fiction history. Starting in December 1966 with *Tarnsman of Gor*, the series was put on hold after its twenty-fifth installment, *Magicians of Gor*, in 1988, when DAW refused to publish its successor, *Witness of Gor*. After several unsuccessful attempts to find a trade publishing outlet, the series was brought back into print in 2001. Norman has also produced a separate science fiction series, the Telnarian Histories, plus two other fiction works (*Ghost Dance* and *Time Slave*), a nonfiction paperback (*Imaginative Sex*), and a collection of thirty short stories, entitled *Norman Invasions. The Totems of Abydos* was published in spring 2012.

All of Norman's work is available both in print and as ebooks. The Internet has proven to be a fertile ground for the imagination of Norman's ever-growing fan base, and at Gor Chronicles ([www.gorchronicles.com](http://www.gorchronicles.com)), a website specially created for his tremendous fan following, one may read everything there is to know about this unique fictional culture.

Norman is married and has three children.

### Users Review

#### From reader reviews:

##### **Steven Holt:**

The e-book with title Dancer of Gor contains a lot of information that you can learn it. You can get a lot of benefit after read this book. That book exist new understanding the information that exist in this publication represented the condition of the world at this point. That is important to you to know how the improvement of the world. This book will bring you inside new era of the globalization. You can read the e-book on your own smart phone, so you can read it anywhere you want.

##### **Kelli Ross:**

Why? Because this Dancer of Gor is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will jolt you with the secret that inside. Reading this book beside it was fantastic author who also write the book in such amazing way makes the content on the inside easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I were you I will go to the e-book store hurriedly.

**Melissa Ray:**
