Exes and Ohs By Beth Kendrick

exit the groom...

Child psychologist Gwen Traynor has learned the hard way that "perfect" men aren't always what they seem. After being dumped the night before her wedding, she's understandably wary of diving back into the dating pool. But when she meets Alex Coughlin, she's convinced her luck is changing. He's smart, handsome, funny -- an ideal rebound guy. She doesn't intend to fall in love with him, but scintillating dates and mind-blowing physical chemistry have a way of winning a girl over.

enter the ex...

Just as things are heating up with Alex, Gwen meets her newest patient -- a precocious preschooler whose chaotic soap opera-actress of a mother, Harmony, sounds an awful lot like one of Alex's crazy ex-girlfriends. Mostly because she is one of Alex's crazy ex-girlfriends. Unfortunately for Gwen, Harmony has a secret that plunges them all into a real-life daytime drama, complete with sex, lies, and Vegas elopements. With Harmony determined to reunite with Alex and Gwen's ex-fiancé begging for a second chance, only one thing is certain: New loves and old flames are an explosive combination.

Child psychologist Gwen has met the perfect man. Alex is gorgeous, sensitive, and wealthy. He is so perfect that Gwen is expecting a catch. Enter her new patient, five-year-old Leo, who turns out to be Alex's son with his glamorous actress ex-girlfriend, Harmony. Gwen is devastated. After all, when her fiance dumped her for his ex, she vowed never to trust a man with an ex around. In this case, her fears are well founded--Alex moves in with Harmony in an attempt to provide Leo with the stable home he never had himself. To further complicate matters, when Gwen starts dating a police officer, she finds he's one of Harmony's exes, too. This is a novel that revolves around odd coincidences, but Kendrick's funny, light style makes these situations seem plausible. After all, everyone's roommate meets and marries an NBA star in one weekend, right? Maybe not, but this entertaining novel will have readers believing anything can happen. *Aleksandra Kostovski*

Oh come on, that will not happen if you have this in your hand. The Enjoyable option here cannot be questionable, including treasuring beautiful island. Use you still want to miss that? Find this book and read it from now!

Shane McKeel:

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Exes and Ohs can make you sense more interested to read.
