Giose 1959: Un "Suicidio" Annunciato By Eugenio Ragni

Literary Nonfiction. Italian Studies. Text in Italian only. Scholar Eugenio Ragni brings us an enlightening investigation into the early works of Giose Rimanelli. This is an analysis of Rimanelli's controversial book, *Il mestiere del furbo* (1959), which caused Rimanelli to leave Italy for North America, never to return on a regular basis. Ragni engages in both a philological and deconstructive act in his intimate reading of the book itself and the aftermath of the publication both for Rimanelli and Italian literary culture at large.

"Un bel giorno—primi anni Sessanta—[Antonio] Tagliacarne insistette perché acquistassi un volume della Sugar, presentandomelo come un testo critico fuori del coro, caustico, onestamente polemico e in qualche punto dissacrante, sorretto però sempre da un raggardevole patrimonio di letture e da una verve scrittoria di ottima qualità. Era *Il mestiere del furbo*, firmato da uno sconosciutissimo A.G. Solari, alias Giose Rimanelli."—Eugenio Ragni, from the preface

Editorial Review

About the Author

Eugenio Ragni is a professor of literature at the Università di Roma Tre and has been a visiting professor at ASU, UCLA, and at the University of Texas. For nearly three decades (1966-93), Ragni worked as an editor and author for the l'Istituto dell'Enciclopedia Italiana Treccani. Over this time, he served as dedicated contributor to the *Enciclopedia Dantesca*, a six-volume work that explored the life and literary works of the great Florentine poet, Dante Alighieri.

Users Review
