### Kings of the Dead By Tony Faville

When the H1N1 “Swine Flu” virus mutates it begins to not only kill those who have received the vaccination, but also bring on the unthinkable: the dead reanimate.

Cole Helman and his friends are not only survival experts, they’ve spent hours discussing and preparing for just this event and quickly head to the hills before the cities become clogged with looting and riots. But the group knows all too well that the living dead are just the beginning of their problems, and they’ll eventually have to deal with the worst qualities of the living—desperation, greed, selfishness, and cruelty—in this new post-apocalyptic world. And a chance encounter at a secret military installation may reveal a conspiracy bigger than any of them had imagined...

Straight out of the apocalypse comes the chronicle of one small group and their experiences with life and death, survival and loss. In a world of the living dead, is one man capable of maintaining not only his community, but his own sanity?

"With KINGS OF THE DEAD, Tony Faville blurs the line between our real world and an apocalyptic nightmare world of zombies. And makes that fun. Kings of the Dead is wild and weird, dangerous and delightful!" --Jonathan Maberry, author of PATIENT ZERO and ROT & RUIN

"For every zombophile who's ever imagined how it might go down if the living dead came shambling into their world... they're here!" --David Dunwoody, author of EMPIRE and EMPIRE'S END

### Editorial Review

#### Review

All the twists and all the drama that are nestled into these pages are a wonderful touch. I did feel for the characters as they lived their day to day life. I will have to give Kings of the Dead 4 Undead Heads out of 5.

-Lyle Perez, Undead in the Head --<http://www.undeadinthehead.com>

What it lacks in finesse it makes up for in sincerity. Zombie fans wondering how they would fare in a zombie apocalypse should read Kings of the Dead, a journal by a committed fan of zombie media.

**Norma Brier:**

The reason? Because this Kings of the Dead is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will surprise you with the secret it inside. Reading this book adjacent to it was fantastic author who all write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of gains than the other book include such as help improving your talent and your critical thinking way. So , still want to hesitate having that book? If I ended up you I will go to the e-book store hurriedly.

**Michael Slay:**

This Kings of the Dead is great guide for you because the content that is certainly full of information for you who have always deal with world and still have to make decision every minute. This specific book reveal it data accurately using great organize word or we can claim no rambling sentences included. So if you are read it hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but hard core information with splendid delivering sentences. Having Kings of the Dead in your hand like having the world in your arm, information in it is not ridiculous just one. We can say that no publication that offer you world in ten or fifteen tiny right but this book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. hectic do you still doubt this?
