Shattered Love: A Memoir By Richard Chamberlain

In *Shattered Love*, Richard Chamberlain poignantly recounts his lifelong struggle to find happiness. Tracing a fascinating path over his meteoric rise to success, he chronicles his struggle to come to terms with his own imperfections, his growing desire to be honest about his sexual orientation, and his yearning to live with an open heart. And along the way he imparts the lessons he has learned about overcoming our own self-imposed obstacles to happiness.

Editorial Review

From Publishers Weekly

Despite its fevered title, this is a courtly, ruminative life's accounting by the TV miniseries star and 1960s heartthrob. It relates Chamberlain's journey toward self-awareness and growing capacity for love, through the scrim of an actor's career. Although the author, who's now 69, discusses his main television, movie and stage efforts, he dishes no dirt about his colleagues or directors. Raymond Massey, Chamberlain's Dr. Kildare co-star, was like a second father to him. The *Thorn Birds*' co-star Barbara Stanwyck was prepared down to her gestures when she hit the set. The *Three Musketeers*'s bombshell Raquel Welch was beloved by all. As Chamberlain revisits his acting credits, he concentrates on what he gained from them as an artist, such as how he fought for the lead in *Shogun* or broke through the constraints of Rex Harrison's performance to carve his own characterization of Henry Higgins in a stage revival of *My Fair Lady*. Throughout, he centers his account on how he evolved as a spiritual being. He writes of his spiritual counselors, who showed him how to gain strength through dissociation and open his heart to forgive and love others, particularly his alcoholic father. He speaks intermittently about his homosexuality, but considers it a nonissue, rather than a political passion. His pantheistic theology is heartfelt, but might seem unfounded to orthodox believers. The book is most valuable as a portrait of a man who has made peace with his past. B&w photo insert not seen by PW.

William Bellard:

This Shattered Love: A Memoir is brand new way for you who has intense curiosity to look for some information given it relief your hunger associated with. Getting deeper you onto it getting knowledge more you know or perhaps you who still having tiny amount of digest in reading this Shattered Love: A Memoir can be the light food for you because the information inside this particular book is easy to get by anyone. These books develop itself in the form which can be reachable by anyone, sure I mean in the e-book application form. People who think that in publication form make them feel drowsy even dizzy this publication is the answer. So you cannot find any in reading a publication especially this one. You can find what you are looking for. It should be here for an individual. So , don't miss the idea! Just read this e-book variety for your better life in addition to knowledge.

Joseph Wood:

As a scholar exactly feel bored to reading. If their teacher expected them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's soul or real their hobby. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Shattered Love: A Memoir can make you truly feel more interested to read.
