Social Workers' Desk Reference By Albert R. Roberts

Following in the groundbreaking path of its predecessor, the second edition of the *Social Workers' Desk Reference* provides reliable and highly accessible information about effective services and treatment approaches across the full spectrum of social work practice. Succinct, illuminating chapters written by the field's most respected and experienced scholars and practitioners ensure that it will continue to be the sourcebook for all social workers.

Social work practitioners and agency administrators are increasingly confronted with having to do more with less, and must make decisions and provide services as quickly as possible. The *Social Workers' Desk Reference, Second Edition*, builds on the landmark achievement of the first edition with thorough revisions and over 75 all-new chapters. Its outstanding wealth of well-tested knowledge, presented in a crisp, to-the-point manner, makes it an even more vital resource for time-pressed practitioners. Page after page offers an abundance of up-to-date information and key tools and resources such as practice guidelines, program evaluations, validated assessment scales, and step-by-step treatment plans necessary for success in today's managed-care environment. The growing importance of evidence-based practice in social work is reflected throughout the chapters, as well as by the inclusion of an entire section devoted to showing how to use evidence intelligently and efficaciously.

The *Social Workers' Desk Reference, Second Edition*, speaks directly to the daily realities of social workers in private, non-profit, and public settings, whatever their expertise and in all areas of practice: assessment and diagnosis, ethics, risk assessment, program evaluation, and beyond. Case managers, clinical social workers, supervisors, and administrators alike who have come to rely on the previous volume will quickly find its successor just as indispensable.

Editorial Review

Users Review

From reader reviews:

Kenneth Wallace:

The ability that you get from Social Workers' Desk Reference may be the more deep you looking the information that hide inside words the more you get serious about reading it. It does not mean that this book is hard to recognise but Social Workers' Desk Reference giving you enjoyment feeling of reading. The article author conveys their point in selected way that can be understood simply by anyone who read that because the author of this publication is well-known enough. This particular book also makes your own personal vocabulary increase well. Therefore it is easy to understand then can go to you, both in printed or e-book style are available. We advise you for having that Social Workers' Desk Reference instantly.

Jose Carr:

Spent a free time for you to be fun activity to complete! A lot of people spent their leisure time with their family, or their own friends. Usually they performing activity like watching television, going to beach, or picnic inside the park. They actually doing same thing every week. Do you feel it? Would you like to something different to fill your personal free time/ holiday? May be reading a book may be option to fill your cost-free time/ holiday. The first thing that you will ask may be what kinds of book that you should read. If you want to consider look for book, may be the e-book untitled Social Workers' Desk Reference can be great book to read. May be it could be best activity to you.

Sergio Hawkinson:

As a pupil exactly feel bored to help reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore this Social Workers' Desk Reference can make you experience more interested to read.

Anne Young:

Reading a reserve make you to get more knowledge from this. You can take knowledge and information coming from a book. Book is created or printed or created from each source this filled update of news. On this modern era like right now, many ways to get information are available for a person. From media social

similar to newspaper, magazines, science book, encyclopedia, reference book, story and comic. You can add your understanding by that book. Are you hip to spend your spare time to spread out your book? Or just trying to find the Social Workers' Desk Reference when you necessary it?
