**The Physiology of the Joints: Lower Limb, Volume 2, 5e** By I. A. Kapandji MD

This is part of an extremely successful trilogy which uses a visual approach to illustrate the anatomy, physiology and mechanics of the joints. It presents, in double page spreads, clear and simple diagrams that have the minimum of text.

## **Editorial Review**

Language Notes

Text: English, French (translation)

### **About the Author**

Dr. Adalbert I. Kapandji needs no introduction, he is internationally recognized among orthopaedic surgeons and physical/manual therapists.

After a long career as an orthopaedic surgeon, member of several international societies, he is now devoting himself fully to the new edition of the three volumes of his work *The Physiology of the Joints*, already published in eleven languages. As in previous editions Dr. Kapandji has drawn all the diagrams in colour

## **Users Review**
