U2: At the End of the World By Bill Flanagan

The most intimate and appreciative biography of the mega rock band U2 to date--by the author to whom the band gave complete access.

When U2 took the stage for their three-year Zoo TV world tour in 1991, Bill Flanagan was there--in the bus, on the plane, in the recording studio and well after hours with the biggest rock band in the world. A tour that began to support the hugely successful *Achtung Baby* record and ended with a second, even more successful record, *Zooropa*, took U2 to the far reaches of the world, playing to over a hundred sold-out arenas in over forty cities.

U2 At The End Of The World takes you on the world tour and drops you off at the cultural intersection where rock stars meet politicians; where writers, directors, and models all wind up backstage with U2. You're there when the band meets Bill Clinton in a Chicago hotel room; when Salman Rushdie comes out of hiding to join the band onstage at Wembley Arena in London; when Frank Sinatra and Bono record their famous duet, "I've Got You Under My Skin." And finally, when the band performs their last Zoo TV concert in Tokyo in 1993 and nearly collapses from physical and mental exhaustion, you are there with them waiting for the end of the world. Augmented with sleek photos by renowned photographer Anton Corbijn, *U2 At The End Of The World* is the most definitive book on the band to date.

Editorial Review

From Publishers Weekly

Music journalist Flanagan (*Written in My Soul*) followed rock superstars U2 on the road, into the studio and into their private lives for three years to collect material for this authorized biography. It provides an interesting, if almost too comprehensive, account of day-to-day life for members of one of the most popular bands. Beginning with his subjects' arrival in Berlin to record an album as the Wall was coming down, Flanagan presents U2 as residing at the heart of politics and social change, describing their friendships with Bill Clinton and Salman Rushdie, their extralegal activities on behalf of Greenpeace and their efforts to provoke their massive audience into greater awareness through such projects as nightly updates on the war in Bosnia. Flanagan also encourages band members to spout off their philosophies on everything from music to religion and politics. An unabashed fan, Flanagan tends to lionize his subjects, but his minutely detailed accounts of them also render them compellingly human. Photos not seen by PW.

For being about a rock 'n' roll group, this is amazingly good. But then, U2 is an amazing band: four Dublin kids who didn't know how to write songs, let alone play their instruments, but who had a dream. Flanagan treats the band as if they set out on a quest as trying as any traditional hero's journey. He paces their story as fast as their globe-trotting lives and makes it as inspiring as their fans find their music. He provides a remarkable glimpse into the hearts and minds of a group that has dazzled ears and eyes throughout the world, and in so doing, renders great service to U2. *Raul Nino*

Review

"Rarely has a rock biography been as insightful or as much fun. It reads like a James Joyce-meets-Hunter Thompson novel. It's the literary equivalent of the *Zoo TV* tour--a brash, ambitious marathon with a momentum all its own."--*Boston Globe*

From reader reviews:

Samuel Tapp:

The book U2: At the End of the World can give more knowledge and information about everything you want. Exactly why must we leave the great thing like a book U2: At the End of the World? Wide variety you have a different opinion about guide. But one aim that book can give many information for us. It is absolutely suitable. Right now, try to closer with the book. Knowledge or data that you take for that, you may give for each other; you could share all of these. Book U2: At the End of the World has simple shape nevertheless, you know: it has great and large function for you. You can search the enormous world by available and read a e-book. So it is very wonderful.

Barbara Jackson:

The actual book U2: At the End of the World has a lot of knowledge on it. So when you make sure to read this book you can get a lot of profit. The book was authored by the very famous author. This articles author

makes some research prior to write this book. This book very easy to read you can find the point easily after reading this book.

Della Ferguson:

As a pupil exactly feel bored for you to reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's heart or real their pastime. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this U2: At the End of the World can make you really feel more interested to read.

Devin Glass:

What is your hobby? Have you heard this question when you got learners? We believe that that question was given by teacher for their students. Many kinds of hobby, Everybody has different hobby. And you also know that little person including reading or as reading through become their hobby. You should know that reading is very important in addition to book as to be the issue. Book is important thing to include you knowledge, except your own personal teacher or lecturer. You discover good news or update regarding something by book. Many kinds of books that can you go onto be your object. One of them is this U2: At the End of the World.
